

Early every morning Stonely climbed out of his bed.

He opened wide his curtains
and watched his best friend Fred.

Now Fred had a dino that she walked along the shore.
Fred's pet won many prizes for the loudest dino ROAR.

As Stonely stared
he thought,
"Wow, Fred has
so much fun."

But Stonely didn't
have a dino pet
and now he
wanted one.

So this sunny morning during breakfast Stonely said,
“Please could I have a dinosaur that roars
and is **red**?”

“Great idea,” said Stonely’s dad.
“Let’s get a pet today.”

“Oh, thank you, Dad!”
cried Stonely.

“I’ll get ready straight away.”
