

What a spectacle!

The guests moved back in fear,
the cook began to cry, and
Princess Lolly stared in wonder at
this quivering, shivering sight as
the defeated jelly-

WOBBLED and WIBBLED, WIBBLED and WOBBLED,
just as a royal jelly should!

The hungry guests cheered, the cook sobbed with relief,
and the guard stood at ease.

"SILENCE!" cried Princess Lolly. There was an instant hush.
